27th March 2020

Dear Parents and Carers

RE: COVID-19 Update 27th March 2020

Childcare provision

- Thank you for your continued support. In line with Government guidance, we are now offering an extremely limited provision for children where both parents or carers/only parent or carer is in a critical front line position, or for children and young people who are considered vulnerable according to the guidelines provided to us.
- **All** children who can be safely cared for at home during this period of closure must be kept at home and should not be in school.
- Places for Easter are only intended for children of critical workers.
- Please be reminded that the children should not be arriving before 8am and when arriving they must observe the social distancing rules.
- **Childcare provision will be open for Monday 30th March, 8am- 3pm.**

Learning from Home

- We are really proud of the way students have responded and are impressed with the work which is being completed at home. We will find some ways of sharing some of the work with you soon.
- Students will need to contact staff about the work from time to time but please consider whether the communication is essential.
- We are working on enhancing the provision further with literacy recommendations, competitions, PSHE topics and daily challenges. Watch this space!
- Rewards are being logged for students who complete good quality work.
- Keep up the good work! We have been hugely impressed by the work ethic of our students so far this week.

General

- Free school meal vouchers for the week commencing 30th March will be posted out by the end of the day on Monday.
- If your child has a bus pass this can be frozen during the school closures. Parents should contact the bus company direct to do this, passes must then be re activated two days prior to returning to school.
- Thanks to all parents and students for the way all have adapted to our new working arrangements during this difficult time. We wish you all a safe weekend.
- There have been no further updates regarding GCSE results but we are expecting more guidance next week.

Yours sincerely
