29<sup>th</sup> June 2021

Dear Parents/Carers and new Seahaven Academy Students

## **Transition Information**

Thank you for your patience and understanding throughout the last few months as transition has changed and adapted in line with government guidelines. We are pleased to confirm transition will take place and have worked hard to ensure the experience will prepare students for when they start with us in September. I would like to confirm the following:

- Each school has been allocated a single day during the week commencing Monday 5<sup>th</sup> July.

Date	Schools/number of students
Monday 5 <sup>th</sup> July	Harbour
Tuesday 6 <sup>th</sup> July	Breakwater and Meridian
Wednesday 7 <sup>th</sup> July	All of our small number schools
Thursday 8 <sup>th</sup> July	Denton

- Students will need to come in their usual school uniform with their usual equipment but will not need a PE kit.
- The day will follow our usual timings from 8.00 - 2.20pm (please do not arrive before 7.45am). Students should enter through the Haven Way gate and register with staff who will be located close to the small car park
- Students will have a range of specially planned lessons, assemblies and presentations and take part in other school routines on the day they visit. They will meet as many staff as possible, but we will be keeping year 6 students to a limited part of the school to avoid mixing with other Seahaven year groups/primary school bubbles.
- Packed lunches will be provided for any student who would like one.
- Students must remember to bring a water bottle, especially if the weather is hot!
- All students will receive the usual 'goodie bag' and information needed for September at the end of the day.
- We plan to carry out lateral flow tests on students at the start of the day. Please indicate that you are happy for your child to be tested on the information collection form link below.

If you haven't completed the Form sent previously, please use the link below to provide us with additional information for your child's transition day. This includes information on consent for testing, free school meals and SEND.
