Dear Parent/Carer,

United Learning Parent Survey

On behalf of United Learning and Seahaven Academy, we are pleased to share the below link to this year's parent survey. This is an opportunity for you to provide feedback on your child's school and will help to identify areas for improvement.

We are interested in your views on a range of areas including how the school communicates with you, how you support your child's learning at home and your relationship with your child's school.

If you have more than one child at the school, complete the survey with **your eldest child in mind**. You are welcome to complete the survey for each child if you would like to.

It is possible for more than one parent/carer to complete the survey for a child. Please feel free to share the survey link with additional parent/carers if they have not received it.

Please type the link below into your browser window to complete the survey, or copy and paste it if this letter was shared online with you:
