Dear Parent/Carer

Mary Glasgow Magazine

As part of your child's experience of learning French, I am pleased to recommend a subscription to a magazine series called Mary Glasgow, which is an ideal boost to your child's foreign language lessons.

The all colour magazines are designed to get students excited about languages by offering interesting articles – at the right level, to help boost their performance and improve their grades.

Topics such as film, music, fashion and sport are covered as well as topical issues from the target countries. Language level is graded and designed to supplement the national curriculum.

All titles are published five times over a school year, and delivered to the school, to be distributed to the students by the teacher. A web code allowing access to a wide range of audio features, activities and interviews is also included in the subscription which provides valuable listening and reading materials.

The subscription price through the school is £10 for five issues with unlimited web access. Years 10 and 11 would subscribe to "Ça Va?". To place a subscription, payment should be made through the school's online payment method ParentPay. Should you have any difficulty accessing your ParentPay account please contact the school office for assistance. Payments need to be paid by Friday 11th October, so that the order can be placed before the end of this half term.

Yours sincerely

Miss Barrow
