Dear Parent/Carer

Year 9 Options

As the Seahaven Academy academic year progresses, and despite the incredibly unusual conditions at the moment, we want to be able to share the most relevant information with you now relating to delivery of the KS4 curriculum in September 2021:

We commence the options process early in March to ensure that you have the information, support and confidence to make these choices with your young person in plenty of time.

All Seahaven students have the opportunity to enjoy the quality of a broad and balanced curriculum – even during the current lockdown period - enabling them to be successful in accessing further education at the highest level.

We are holding an online Options Evening on Thursday 25th March from 6.00pm.

The online event will be an opportunity for you to gain information about the courses your child wishes to take at GCSE level and the procedures about how to choose the appropriate option(s) as well as additional information from the SENCO and the KS4 Director.

There will be subjects that all students must take and subjects from which the students can choose. Students in Year 9 will be introduced to the process during tutor time, PSHE lessons and assemblies.

Important Dates for you to note:

Thursday 11th March, Online Parental Consultation Evening

Thursday 25th March, Online Options Evening

Friday 2nd April, Submission Deadline for Options Online.

The Options Booklet will be made available for you to look through online on the 25th March and a copy will also be sent home.

I look forward to greeting you all on the evening.

Yours sincerely

Christopher Storey
Director of KS3

Principal Sarah Pringle
