Dear Parent/Carer

GCSE Geography work books

In order to help our GCSE Geography students as much as possible I have purchased work books designed to improve subject knowledge. These are made by a company called CGP who produce books for a range of subjects.

We will be using the books regularly for revision, as well as for the majority of homework this year to help students improve their subject knowledge and also keep homework clear and manageable, therefore, it is essential for every student to own both books.

Our discounted cost of the books is £3 each which is lower than their retail price. The total cost of the books therefore is £6. Please make this payment on ParentPay and students will receive the books immediately on payment.

If you have any queries then please feel free to contact me on fieldingj@seahavenacademy.org.uk

Yours sincerely

Jez Fielding
Head of Geography

Principal Sarah Pringle
