July 2022

Dear Staff, students, Parents/Carers, Business Partners and the wider community

**Investor in Careers**

It is three years since Seahaven Academy gained the Investor in Careers Award. This national kite mark recognises the commitment of a school to deliver high quality and impartial careers education, information, advice, and guidance to all students.

This letter is to confirm that we renew our commitment to careers education, information, advice, and guidance (CEIAG) through Investors in Careers and the Quality in Careers Standard.

By meeting the reassessment criteria for this award, it is our aim to exceed the national standards required by legislation and develop careers education, information, advice, and guidance (CEIAG) at Seahaven Academy to be a model of outstanding practice in our community.

All staff, students and parents/carers will be involved in the development of CEIAG at Seahaven Academy. Our business partners have given their commitment to contribute to the delivery of CEIAG and to support the school to secure the Investor in Careers award.

The process of securing reassessment for the award will be supported by the Senior Leadership Team, the Headteacher and the Governing body. Mat Hafernik will be the lead contact for IiC.
