Dear Parent/Carer

Re: GCSE Separate Sciences revision guides and exam practice workbooks Year 10

Your child is studying the AQA Separate Science GCSE courses, GCSE Biology, GCSE Chemistry and GCSE Physics. Access to revision materials at home is a key to success at GCSE.

The school is able to sell the complete revision and exam practice guides at greatly discounted prices. We are recommending the purchase of the guides early in the year, as they can then be used in revising for the school's own assessments and to support on-going learning.

The cost of revision guides and workbooks for the separate sciences are £17.50.

If you would like to purchase the science guides for your child, please make the payment on ParentPay by Wednesday 16th October to ensure there is sufficient time to place the order prior to the October Half Term.

If you have any questions or concerns, please contact me directly by email or telephone (brookesa@seahavenacademy.org.uk).

Yours sincerely

Ms Angela Brookes
Head of Science

Principal Sarah Pringle
