Dear Parents and Carers

## **Term 3 updates**

### **Online learning**

Thank you very much to everyone who has sent in a suggestion to our [Term3@seahavenacademy.org.uk](mailto:Term3@seahavenacademy.org.uk) email or who has contacted school with ideas for making Remote Learning work as well as possible for everyone. We are making improvements all the time, and hope that next week a lot of the 'teething' problems we have had will have been resolved.

If you need any support with accessing online learning, there is a range of help for using Teams on our Continuity of Learning page of the website, [here](#). There is also a list of who to contact for support with different applications and websites [here](#).

A comprehensive Remote Learning booklet will be sent home shortly which will contain guidance on how to get the best out of Remote Learning including step by step instructions for accessing all the sites needed. We are aware that there is a lot to remember and we all have occasions when we need a prompt!

### **Year 11 updates**

As promised, there are some important updates from Mr Newnham-Reeve for year 11 parents and students on our letter page [here](#). After the opening 2 slides, there is a voice recording that you are able to listen to at your convenience. He covers updates on the following:

- Summer exam series
- Live lessons
- Parent Consultation Evening
- Projected grades

### **Attendance**

If your child is unwell (with COVID or any other illness) or not able to work from home on any day, please phone into the absence line each day as would be the usual practice during term time.
