Dear Parent / Carer

Re: Key Stage 3 Science Revision Guides

To support your child's learning at home we would like to offer you the opportunity to buy a science revision guide. We are offering the higher level book for all as it will provide a useful resource for parents and carers too.

The school is selling revision guides at a cost of £6.00 each, a substantial saving on the normal retail price. We are recommending the purchase of guides, as they can then be used in revising for the school's own assessments to support on-going learning and for any home learning that students might have to do.

If you would like to have a look at the guide, please follow the link below:

If you wish to order a revision guide, payment will need to be made on ParentPay by Friday 27th November and an order will be made after this date.

Yours sincerely

Ms Angela Brookes
Head of Science

Principal Sarah Pringle
