Part of United Learning

23rd June 2020

Dear Parents and Carers

RE: COVID-19 Update 23rd June 2020

Wider re-opening of schools' provision

- We are now also part of a very exciting Maths catch-up project to support a number of students in year 10. If you have received a letter about this, although the initial deadline has passed, please complete the survey as soon as possible so that we can organise the equipment needed.
- Year 7-9 engagement meetings with Teaching Assistants and Pastoral Leaders have started today and run very smoothly. It has been really great to see some more familiar faces in school this morning.

Childcare Provision

- Friday 26th June is an INSET day. If you have not already confirmed a place in childcare for your child, I'm afraid we are now full since we are running only a very limited provision that day for those parents/ carers who requested places.
- If you fit the government criteria for keyworkers, have a child with an EHCP or who would be deemed 'vulnerable' according to the published criteria and need a childcare place at school, **please ring the school office in the first instance** and we will try to accommodate families on an individual basis. We have extremely limited availability and will not be able to put on any further additional groups. As we now have more children on site, we will have to treat applications on a priority basis.
- If your child currently has a place and you no longer need it or could reduce the days they attend, please let us know as this would create capacity.

Learning from home

- Tomorrow is a PSHE day. Students have told us that they really value these days so we hope that they will enjoy the latest topics and activities supplied by Ms Johnson who coordinates these days.
- Tutors will continue to make contact with students and families over the next two weeks by phone as well as email to help start the planning for next year and talk about the work completed during the lockdown period.

Yours sincerely

Seahaven Academy

Principal Sarah Pringle
