30th June 2020

Dear Parents and Carers

RE: COVID-19 Update 30th June 2020

Childcare Provision

- Please remember to let the office know if your child is due to be in childcare and is not able to attend so that we can make sure the registers we submit to the government each day are up to date.
- Please be aware that childcare provision will be stopping on Wednesday 22nd July to allow for the completion of building works to be as swift as possible and to allow for staff to prepare for the autumn term.

Learning from home

- Thank you very much for the positive feedback about our live lessons! This is a new venture for staff and has been extremely successful so far. We have been very pleased with the high levels of participation from students and hope to be able to increase provision to other subjects and year groups over the rest of the term.
- Year 10 sessions on site continue to be extremely well attended. Please do ask your children what they have been learning both on site and on-line so that you can let us know where there are any concerns about keeping up.
- Year 10 1:1 Maths sessions with the online project through MyTutor have started this week. If students have any issues logging in they need to check the resources sent out for details on how to do this and let the school know if they are still struggling. This is a fabulous resource to have been awarded, so we need to make sure that students attend all the sessions they are signed up for.

We will be contacting all parent/carers over the next few weeks to confirm contact details, so we are able to use the best communication methods to keep you informed with all the up to date information.

Yours sincerely

Seahaven Academy

Principal Sarah Pringle
