Dear Parents/Carers,

Safeguarding during closure

Safeguarding is always a priority at Seahaven and it is important, in these uncertain times, that we continue to work in partnership with families to ensure that young people feel safe and well supported. There will be some PSHE for students to engage with this term, which we hope will introduce some variety and offer support for developing skills that will help young people to cope, we have also put together some resources, guidance and links which may be of some use both for students and for parents/carers. Please follow this link <https://www.seahavenacademy.org.uk/news/coronavirus-covid-19> and look under the 'safeguarding and wellbeing' heading.
