Welcome to our catering page on the Seahaven Academy website.

Our daily menu consists of one main course, a vegetarian option, jacket potatoes with fillings, pasta with sauces and of course salads as well as a selection of savoury and sweet grab and go items.

Sandwiches and filled baguettes and bread rolls are made in our kitchen daily.

We also produce a range of hot and cold desserts as well as offering the students a selection of fresh fruit.

Our menu also features some of our concept days such as Quirky Bird, Mac and Cheese and Mexican Kitchen.

Please see the current menu which changes termly and our monthly marketing bulletins for further details of all other themed events.
