

# Seahaven Academy

The best in everyone™

Part of United Learning

11th November 2021

Dear Parent/Carers,

## **RE: Ingredients Contribution**

At Seahaven Academy all students in KS3 are scheduled to be cooking throughout their rotation of Food Technology lessons in Year 7, 8 and 9. To support a healthy and varied curriculum, recipes have been designed so that students bring in a selection of ingredients for each practical session. The basic ingredients such as oil, salt and some specialist herbs and spices, will be provided by the school for each lesson.

We are asking for small one-off contribution for the basic provisions so that we can continue to provide high quality practical sessions for all students. There will be a contribution link set up on parent pay for £3.00. If you are unable to contribute at this time, your children will still be able to take part in all practical sessions.

Thank you in advance.

Your Sincerely

Mrs Aeberhard  
Teacher of Art, Design and Technology

**Principal Sarah Pringle**
