The best in everyone™

Part of United Learning

7<sup>th</sup> January 2022

Dear Parent/Carer

### **Ofsted Report**

I am delighted to be able to share with you at the start of the new school term the final Ofsted report from our inspection in November 2021, which is now available to view on our [school website](#). As you will see from the report, the inspection team judged Seahaven to be 'good' in all individual categories, and overall.

We are extremely pleased with the report as it recognizes and celebrates the hard work and commitment from the students, staff and families connected with our school. The report also highlights a number of areas which we had previously identified ourselves as areas for development and where the inspectors saw real strengths developing in our provision, which was then echoed in their discussions with students. The school's curriculum, provision for SEND students and emphasis on reading were all highly praised by Ofsted, as were the teaching during the lockdown periods over the last year and the work we have done since September to promote good behaviours to ensure students feel well supported and safe in school.

Please also take a look at a letter from United Learning regarding the inspection, which can be also be read on our school website [here](#).

Thank you for all your support last term whilst we were so busy managing the different challenges faced by all schools, as well as during our inspection.

Happy New Year!

Yours sincerely

Sarah Pringle  
Headteacher
