Dear Parent/Carer

**RE: Geography Trip Tower of London Super bloom (includes entry to the Tower) 28<sup>th</sup> June 2022**

As a member of the afterschool Geography Club or as a reward for your hard work in Geography I am delighted to invite you to participate in a trip to The Tower of London to see the Platinum Jubilee Super bloom and visit the Tower. To celebrate the Platinum Jubilee the moat had been flooded with wildflowers. As a super bloom school this is being recreated on a small scale in the Seahaven Garden by the Geography and Gardening Club.

Pupils will need to meet at Newhaven Town Train Station at 8am and will arrive back at 4.45pm. If you are happy for your child to make their own way home after returning from London, please ensure you complete the permission on Parentpay.

The cost of the trip is £14 and payment should be made using the Parentpay app. Please complete the permissions when making your payment. Should you have any difficulties accessing your ParentPay account, please contact the school office for assistance.

I know you will appreciate the high level of responsibility involved in taking students on trips and would like to reiterate that the school reserves the right to cancel the place of any student whose behaviour between now and 28<sup>th</sup> June 2022 leads us to believe that their participation would present too great a risk. Poor attendance could also jeopardise a student's place on the trip. In the event of this occurrence all monies paid that do not incur charges will be refunded.

Please note as there are 35 spaces available on this trip and tickets are non-refundable except where the school cancels the visit.

Students will need to bring a packed lunch with them. Any students who receive free school meals will be provided with a packed lunch from the canteen. Students can wear suitable non-school uniform.

If you require any further information, please do not hesitate to contact me on [pricec@seahavenacademy.org.uk](mailto:pricec@seahavenacademy.org.uk)

Yours sincerely
