Dear Parent/Carer

Year 10 PSHE

Today we have 'Positive Voices' from The Terrence Higgins trust returning to Seahaven Academy to provide a presentation to our Year 10 students.

Positive Voices consists of a team of volunteers who provide informative talks and education sessions to education, corporate, public sector and other audiences about their personal experiences of living with HIV.

Their trained speakers cover HIV prevention and safer sex messages and share their own experiences of living with HIV.

If you'd like to find out more about The Terrence Higgins foundation, please visit [Positive Voices | Terrence Higgins Trust \(tth.org.uk\)](https://www.terrencehiggins.org.uk), where there is also information for parents and carers.

Finally, do ask your child about the talk and what they heard and learned. It's a great opportunity for another of those important ongoing conversations.

Yours sincerely
