Dear Parent/Carer,

Year 11 Revision

We are determined that Year 11 will achieve the very best possible grades in their upcoming GCSE exams and to do this we know that there is a strong link between regular revision and GCSE outcomes.

Support for PPEs (Mock exams)

- Weekly revision for each subject is set via satchel one by subject teachers.
- We will be running a Y11 lunch-time catch-up session in N20 every day this week.
- Students will have access to computers, support with work and revision strategies
- The library is open every lunch time and after school between 3 and 4pm. Staff are on hand to support during these times.
- For Maths support, the Maths department run a catch-up session, staffed by specialist teachers, every Tuesday and Thursday from 3:10pm in N16.

To support us to support your child, we are asking if you could do the following:

- Talk to them about upcoming revision
- Contact their subject teacher if you have concerns or questions
- Encourage your child to attend the support sessions outlined above
- Check the homework / revision set on Satchel One. If you have lost your log in details, you can access them via your child's account by following these steps:
