Dear Parent/Carer

Re: GCSE Science Afternoon Before Exam Revision Sessions

The Science Department have organised some additional revision sessions in school the afternoon before the science GCSE external exams to complement revision at home. The schedule is as follows:

Monday May 16th 2.45pm to 5pm Biology Paper 1

Thursday May 26th 2.45pm to 5pm Chemistry Paper 1

The purpose of these sessions is to provide support for students who would benefit from structured revision of key topics. The aim is for students to leave at 5pm feeling like they have done their revision for the day and can relax for the rest of the evening. It also gives them access to teachers who can answer any questions they might have.

It is highly recommended that your son/daughter attends.

We will provide some healthy snacks and drinks at 2.20pm and again at 4 pm. Students should meet in the main hall at the end of the school day.

If you have any questions or concerns, please contact me directly by email or telephone (brookesa@seahavenacademy.org.uk).

Yours sincerely

Ms Angela Brookes
Head of Science

Principal Sarah Pringle
