

# Information for new parents

### **Welcome to Seahaven Academy**

Thank you for choosing Seahaven Academy for your child. We are very much looking forward to working in partnership with you to achieve "the best in everyone".

Starting a new school always involves finding out how things work and who is the best person to help. Within this booklet you will find some useful information that will help make the transition to Seahaven Academy as easy as possible. However, please look at the website, where further information is also available for parents/carers.

### **Our School values:**

Seahaven Academy
The best in everyone™
With kindness we care. With confidence we dare.
With ambition we exceed.

Please note, that this information is correct as of the time of printing.

**Reviewed May 2025** 

## Daily Routines

#### **Current School Day**

Before and after school, students will have the opportunity to take part in a variety of activities such as, breakfast club, afterschool clubs and activities, intervention and study support.

#### **School Day**

8.30am	8.40am	Roll Call
8.40am	9.00am	Tutor/Assembly
9.00am	10.00am	Period 1
	Lesson Tran	sition
10.05am	11.05am	Period 2
11.05am	11.25am	Break
11.25am	<b>12.25pm</b>	Period 3
	Lesson Tra	nsition
12.30pm	13.30pm	Period 4
1.30pm	2.00pm	Lunch
2.00pm	3.00pm	Period 5

#### **School Uniform**

We have school uniform in order to promote a sense of pride in, and belonging to, the school community. We believe that when the school uniform is smart and consistent it gives the opportunity for students to be judged solely for their talents, efforts and achievements. Our uniform is simple, strict and cost effective and is checked every morning to ensure that any problems are dealt with immediately and do not distract from learning. All school and PE Uniform items can be purchased at Intersport in Seaford. Telephone contact 01323 898516 or online through their website https://www.gameforlife.co.uk/section.php/785/1/seahaven\_academy.

#### **Uniform items**

- Uniform black blazer
- Uniform orange, black and grey tie
- Uniform jumper (optional)
- Uniform black trousers or uniform black "Charleston" style skirt (knee length)

Please note - Uniform trousers may be bought elsewhere in an identical style and colour. However, we reserve the right to refuse to accept any that are not. The school's decision is final.

#### **Generally available items**

- White formal shirt
- Black formal shoes (plain, no trainers, boots, branded shoes or cloth shoes) with black socks or black tights.
- School coat (no hoodies our school uniform is intended to be formal. Hoodies are an informal item of clothing).

Students must wear their uniform at all times in a smart, presentable manner, including to and from school. Uniform items must be worn as intended and outdoor coats should be removed on entering the building. Blazers should be worn around the school site at all times, unless permission is given to remove them.

Hairstyles – extreme hairstyles, bleaches or dyes that are in clear contrast to natural hair colours are not acceptable or considered part of school uniform. Shaved patterns or insignia are also not part of uniform. Students presenting with such haircuts will be sent home and advised to dye hair back to a natural hair colour or have hair cut to a consistent length to remove the patterns or insignia.

Make up — If worn, make up must be discreet and in natural colours. Nail varnish and false nails are not permitted.

**Jewellery** – One stud or sleeper per ear and a watch. No visible facial or body piercings. Tattoos are not permitted.

#### **PE Kit**

- Black T-shirt with Seahaven logo (compulsory)
- Plain black football shorts (compulsory)
- Plain black PE socks (compulsory)
- Black jumper with Seahaven logo (compulsory)
- Shin pads (compulsory)
- Trainers (compulsory)
- Football boots (compulsory)
- Black tracksuit bottoms/ Training pant (optional)
- Leggings with Seahaven logo (optional)
- Black Base Layer (optional)
- Black Rain Jacket (optional)

#### **Equipment**

To ensure students are prepared for lessons students they are expected to bring to school (as a minimum), the following items:

- Black/blue pen x2 (blue or black ink)
- Red pen
- Pencils
- Ruler
- Sharpener

- Eraser
- 2 different colour highlighter pens
- Compass and protractor
- Glue stick
- Scientific calculator

Students who routinely fail to bring this equipment to school will receive detention.

#### Lockers

Lockers are available for students to use within the school. Students will be asked for a small contribution that will need to be paid via ParentPay if they wish to have a locker.

#### **Cashless Catering**

To avoid dinner money being lost, the school operates a 'cashless catering' system. Students will be given a card with a QR code when they start. They will need to ensure they keep this card safe as they will use this to buy items at the canteen or snack shack. If a student looses their card, the will need to request a new one – there may be a cost for a replacement.

To add funds to the account payments can be made online through our online e-payment system, ParentPay and would encourage parents to use this system.

Should parents/carers wish to limit the amount their child can spend each day, please contact the school office and they will arrange this with the school canteen.

Should a student be eligible for Free School Meals (application form included) then the cashless catering system works in exactly the same way. The amount allocated for the free school meal will be entered into the system by the software but will not show as part of the student's balance on the tills in the corridor. Students will be able to add additional funds to their cash balance in order to increase the amount available to spend on a daily basis. Free school meals can be taken at break or lunch; however, this must include savoury as well as sweet.

If you have concerns and would like to know what your child is purchasing on a daily basis, the system does allow for reports to be created on a daily, weekly or monthly basis and these can be obtained through Student Services.

#### **Payment Method for Trips/Visits**

When any school trips and visits are organised throughout the school year, payments will need to be made through our online payment method of ParentPay, unless otherwise stated in the trip letter.

During the first week of your child starting at Seahaven Academy a letter will be sent home with your log in details to your ParentPay account. Please log on and activate your account.

Notification of school trips will be sent home via letter or emailed directly, so please make sure the school has your current contact details.

As previously mentioned, parents can also add funds to their child's cashless catering account through this ParentPay method.

#### **Buses**

The school is serviced by two school buses: the Saltdean/Peacehaven bus and the Denton bus. The bus timetable can be found under the information tab on our school website or alternatively look at the Brighton and Hove bus website.

School bus routes are organised over the Summer for the new academic year, and we would advise parents to look at <a href="https://www.buses.co.uk">www.buses.co.uk</a> during the summer break.

#### **Extra-curricular Activities**

To enhance our students' school experience, we encourage them to take part in as many extracurricular activities as possible. In order to support this, we offer a wide variety of lunch time and after school activities that change on a termly basis as a part of our Education with Character programme. The extra-curricular programme is on the school website.

#### **Toilets**

Key Stages have toilets allocated to their year group. The school also has designated gender-neutral facilities if required.

#### **Lost Property**

Lost property is held in the office and will be displayed outside reception at the end of every term. Parents will be notified via text to inform them when this will happen. All non-collected lost property will be disposed of at the end of this period. To minimise the risk of your child's uniform going missing, please ensure that it is clearly labelled. Any labelled items will be returned to the student as soon as possible.

#### Communication

Should you need to contact the school to discuss an issue regarding your child, please contact the school via the following methods and they will be able to assist in directing your enquiry to the correct member of staff.

Telephone: 01273 517601

Email: office@seahavenacademy.org.uk

Other: Arbor App (invite will be sent to the email held on the school system)

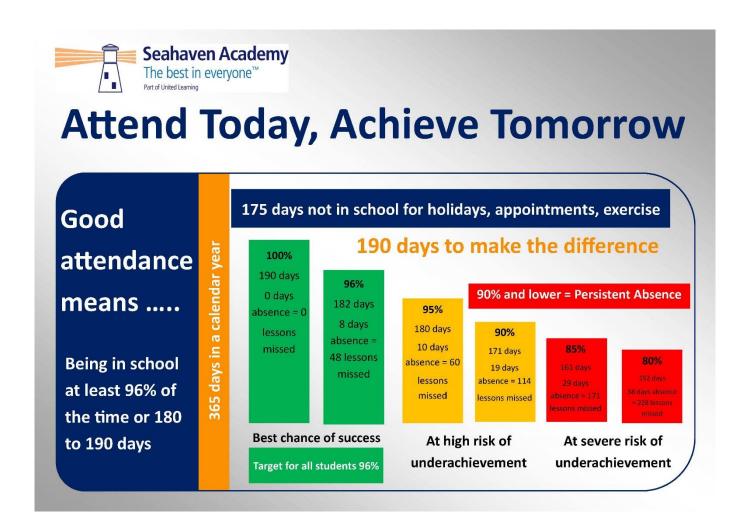

# Important Information

#### **Attendance**

At Seahaven Academy we closely monitor your child's attendance to ensure that it meets the expected target of 96%. At the current time the government guidelines are that any student who has an attendance of under 90% is classed as a "persistent absentee". Should your child's attendance become a concern the school's Attendance Co-Ordinators will contact you to see what support can be put in place and if necessary, invite you in to discuss this within school.

It is also important for parents to call in as soon as possible each morning when you know that your child will be absent from school each day. Please leave a message detailing the reason for the absence, your child's name and tutor group on the absence line (01273 517601 - option 1) or call and speak to the attendance team.

#### **Behaviour at Seahaven Academy**

At Seahaven Academy one of our priorities is to ensure that behaviour is outstanding in every lesson, so that students have the best environment for learning. We believe that a culture of good discipline and respect for one another is the corner stone of a great school, so students achieve the best outcomes possible.

In order for this to be achieved the following systems are in place to help create a calm, well-ordered learning environment to allow disruption free learning.

#### Roll call

The school day begins with 'roll call' where students are checked by their tutors to ensure they have the correct uniform and equipment in order to have a positive and productive day.

#### **Conduct in classrooms**

We expect students to work extremely hard and do not tolerate any deliberate disruption to learning, or disrespectful behaviour; respect for staff is paramount in building good relationships which allow students to excel. Student and parent feedback highlights that the excellent relationships between staff and students are a significant factor that supports student's happiness and progress at school. Should a student breach the expectations more than three times in a lesson they will be removed from the lesson to work independently. By having a clear response to disruptive behaviours, students are benefiting from classrooms where disruption to learning is not tolerated.

#### Out of class behaviour

In order to work alongside the school's disruption free learning policy, clear expectations are made for behaviours in the corridors and at break and lunch time. This is to ensure students behave in a safe and respectful manner at all times.

The following behaviours will always be challenged, and a green slip will be issued.

- Littering
- Running
- Shouting
- Pushing
- Play fighting
- Wearing uniform incorrectly
- Eating/drinking in areas not designated for eating/drinking
- Being in out of bounds areas

If a student receives a green slip, they will be required to attend a 10-minute detention at the end of the school day. Should they not attend then this will result in a 60-minute detention being issued the following day. If the 60-minute detention is not attended, then a student will be issued with a 90-minute detention Principal detention that will need to be completed at the end of the week. Parents will be notified via Arbor should their child be issued with a 60 or 90 minute detention.

#### Behaviour on the way to and from school

We expect students to demonstrate a high standard of conduct on the journey to and from school as they are representatives of Seahaven and as such, we will impose school sanctions should a student behave in a way that endangers others or brings the school into disrepute. All students are expected to uphold their high standards in this way.

#### Students will:

- Travel to and from school in full uniform (students are not permitted to wear hoodies)
- Respect all local residents
- Dispose of litter appropriately and safely
- Use bikes, scooters and other modes of transport safely (and not in the school grounds)
- Not smoke and avoid walking with other students who are smoking

Fixed term suspensions are used in response to serious or persistent poor behaviour. There are some behaviours which pose such a risk or demonstrate such significant lack of respect that they are likely to result in permanent exclusion from Seahaven Academy.

Those behaviours include, and are not limited to:

- Bringing drugs onto the school site
- Bringing weapons, or replica weapons on to the school site
- Persistent bullying
- Dangerous behaviour

#### **Punctuality**

Lateness to school creates a disrupted start to the day. Students miss key information about the day when they are late, which can lead to confusion as well as interrupting students and staff who are already engaged in learning. Should a student be late for school they will attend the late room if they arrive during tutor time. If they arrive after 9.00am students will attend refocus. Students arriving after 9.00am need to enter the school via the refocus entrance and not through the main reception. Students arriving after 9.00am will receive an authorised attendance mark.

#### Mobile phones and other devices

Mobile phones and other electronic devices are not to be used in school. Students may carry them as long as they are not seen or heard. If they are seen or heard, they will be confiscated and placed in the front office to collect at the end of the school day. This is to maximise the focus on learning and minimise the impact of e-safety issues during the school day. Should you need to contact your child please phone the school office on 01273 517601 or email office@seahavenacademy.org.uk

#### **Rewards and Praise**

Alongside our behaviour system, we believe that positive praise for students is crucial to their development inside and outside of the classroom and will foster a willingness to learn and succeed.

Rewards and Praise will occur in a number of ways and below are a few examples:

Verbal praise during year group roll call to recognise an individual or a group achievement

- Value reward slips are issued for positive contributions to learning or students' demonstration of our three key values
- Reward slips are given to students at the end of each lesson and can be placed in our golden ticket box for students to be entered into our termly golden ticket events
- 100% Attendance will be recognised with reward points for 100% weekly attendance
- Rewards for weekly positive contribution

#### **School Policies**

The school policies are available on the school website for parents to view. Please take time to familiarise yourself with these.

Having consulted the Sex and Relationship Education policy on the website, as a parent you may wish to withdraw your child from these lessons. Please contact the Principal directly should you wish to do so. Parents will be informed in advance when SRE topics are to be taught as part of the PSHE curriculum.

#### **Homework**

Homework is an important part of learning at Seahaven Academy. In Key Stage 3 students will be set homework in the core subjects. English, Maths and Science homework will be set weekly on the Sparx learning platform. Students will access the platform using their School Microsoft account. In Key Stage 4 students will be set homework across all their subjects.

The homework that is set can be monitored on the school's online homework software, Satchel One. A pin will be issued to each student to enable them to log in to the system to access their homework. Parents are able to monitor their child's homework through this software and pin access will be provided on the student's log in letter. Satchel One is also available as an app for smart phones.

Students can receive support to complete homework at lunch time or after school as part of homework club. All students that complete homework on time and to a high standard will receive rewards in line with the school reward policy. Any student who does not complete homework will be required to complete this during detention.

#### **Parents Evening**

Each year group will have at least one parents evening every year. Information about how to book appointments and the date will be provided prior to each parents evening. The evening is a great opportunity for parents to meet with subject teachers to discuss student's progress, their strengths, areas for improvement and targets.

#### Assessment

Students are assessed at two key points throughout the school year. Assessments are used to track student's progress, report current attainment and allow staff to plan future learning. At present assessment in Key Stage Three (Year 7-9) is reported using Rank Order Assessment. In Key Stage Four (Year 10-11) students are assessed using the GCSE grading system. Results from all assessments are published and emailed home to parents.

Students will be taught in sets for English, Maths and Science. These sets are created using data from the mid-year and end of year assessments. Students may move up or down following the results of those assessments. Students should only move sets twice per academic year.

Students will be taught in same group for all subjects outside of the core, and these are called streams. Each stream is created according to a child's average overall academic level. Streams are subject to change, in the same way that sets are subject to change following the mid-year and end of year assessments.

#### **IT Access**

Every student will be issued with a log on to the school network when they start school, and this will give them access to their school email account. Additionally, students will also have access to a One Drive account which enables them to store and transport their work between school and home. Please note that there is no USB access on any computer within the school site. Students also have access to a copy of Office which can be used at home and instructions on how to access this are available on the school website or from Student Services. Chrome and Microsoft Edge are the recommended internet browser within school.

At Seahaven, we also have a web filtering policy where inappropriate content and social media is blocked while games and video streaming are carefully regulated. Some content is allowed after school for school clubs and various activities. E-safety is an important topic within school, and this is addressed through lessons and discussions within Tutor time. Should you have any concerns on this issue, please use the "I'm Telling You" button on the school website homepage. Help guides for all aspects of IT access are on the school website.

#### **News Updates and Academy Letters**

The Academy News Update and letters that are sent home are sent via email. Please could you ensure that you provide the office with an email address and so you don't miss out on any important letters and information. However, if you do not have access to a computer, please let the school office know and we will be happy to send copies home to you in the post.

#### Medical

The school has a number of qualified first aiders within the school as well as the main First Aider who works within the office area.

Please speak with the school main first aider regarding any medical concerns for your child. The main first aider will determine whether a Health Care Plan will need to be completed for your child and this will assist the school in putting the correct support in place for your child's medical needs.

Should your child need to take medication in school, please make sure that this is handed into the school reception with a completed consent form. The school requires medical evidence for any variation to the school uniform policy or to enable students to use the toilet during lesson time. Additionally, should your child require a medical exemption pass, up to date medical evidence will be required.

Medication forms can be found on the school website or are available from the school office.

**Prescribed Medication.** If your child is on prescription medication a prescribed medication form will need to be completed. The form and medication need to be handed into the school office. **Please note:** The school will not be able to give any prescribed medication without the chemist's dispensing label.

**Non-Prescribed Medication**. Should you wish for the school to hold non-prescribed medication for your child (e.g. paracetamol or anti histamine), then please complete the non-prescribed medication form. All medication needs to be handed into the school office, carefully labelled.

Please note: the school is unable to administer ibuprofen, unless it has been prescribed by a doctor.

All medication is kept in a locked cabinet and is administered by qualified staff.

Please remember to keep us updated on any changes to your mobile number or email address. You can do this via the Arbor Parent Portal or emailing the school office.

If you have any further questions, please contact the school office 01273 517601

office@seahavenacademy.org.uk
or look at the school website
www.seahavenacademy.org.uk
