

Working from Home – Instructions

Some lessons will be a live lesson link sent from the class teacher, but if this has not been received the work will be set for students and can be on the school website.

<https://www.seahavenacademy.org.uk/>

On the school home page, you will find a section titled 'Information on Coronavirus/COVID-19' Click on the blue link 'Work set for students who are self-isolating'

Once you have clicked on the link you will see 4 tabs, one for each year group. Click on the year group your child is in. This will open a document that lists all the work for your child for the week.
