

# Seahaven Academy

The best in everyone™

Part of United Learning

Dear Parents/Carers,

## Invitation to STEM Day at Seahaven Academy

We are excited to be holding a STEM Day at Seahaven Academy on November 7, 2024. This event is designed to inspire and inform students about the wide-ranging opportunities in Science, Technology, Engineering, and Mathematics (STEM).

Throughout the day, our KS3 pupils will participate in engaging activities in the library. The day will culminate in a STEM Careers event from 4:00–6:00 pm at the school, with a special invitation extended to KS4 pupils and their parents. However, all students and parents are warmly welcomed.

Attendees will have the opportunity to hear from and connect with professionals from diverse STEM fields, including engineering, healthcare, microbiology, and IT service management.

Additionally, our careers advisor, Amanda Bosley, will give a presentation on pathways into STEM careers.

Refreshments will be provided, and there will be time for informal discussions with our guest speakers and careers advisor about pursuing a future in STEM.

To help us with planning, please register your interest by completing this brief form: [STEM Day Careers Event](#)

We look forward to welcoming you for what promises to be an inspiring event.

Yours sincerely,

Dr. E. Amonoo-Kuofi  
STEM Coordinator  
Seahaven Academy
