*The Key Stage data 2 from 2020 27% of pupils met the expected standards in Reading, Writing and Maths combined.

The results for 2020 and 2021 were formulated through the use of Centre or Teacher Assessed Grades. Students did not sit formal examinations as a culmination of the course. In 2020 and 2021 students were required to sit a number of internal examinations that provided the basis for the award of the grades. This information was shared and approved by the examination boards.
