6th October 2026

Dear Parents, Carers and Students,

Year 11 GCSE First Push Evening – Tuesday 20th October: 4.45-6.00pm

As our Year 11 students start the preparation towards their GCSE examinations, we are delighted to invite you to our GCSE First Push Evening for our Class of 2027.

This important event will provide students and families with the information, resources and support needed to ensure a successful start to the GCSE examination period and help them prepare for their mock examinations. During the evening, Mr Newnham-Reeve and I will share key information regarding the November mock examinations, intervention opportunities, digital revision platforms, and practical ways that parents and carers can support their child throughout Year 11.

Evening Programme

4.45pm: Collection of revision folders, mock examination timetables and refreshments

5.15pm: Presentation from Mr Newnham-Reeve (Principal) and Ms O'Brien (Vice Principal for Outcomes)

From 5.45pm: Opportunity to see members of the Year 11 support team and to speak with representatives from local sixth form colleges and Universities. We would encourage all students to speak to as many providers as possible to help them with their college application process.

During the evening, students and families will receive:

- A personalised November mock examination timetable
- A revision folder and revision timetable to support learning over the October half-term break
- Subject-specific revision resources from across the curriculum
- Essential revision and examination equipment, including pens, flashcards, dividers and highlighters

We strongly encourage all Year 11 students and their parents/carers to attend this significant event. The information and resources provided will play a vital role in helping students prepare effectively for their mock examinations and beyond.

Should you have any questions, please do not hesitate to contact me via the school.

We look forward to welcoming you on the evening.

Yours sincerely,

Ms O'Brien: Vice Principal – Key Stage 4 Outcomes

Principal: Mr M Newnham-Reeve
