“You were born to win.
But, to be a winner,
you must plan to win,
prepare to win and
expect to win.”

– Zig Ziglar

Introduction

It is the aim of Seahaven Academy to make the examination experience as stress free and successful as possible for all candidates. We are extremely proud of the work that you have been doing in the run up to your final GCSE examinations.

In Term 5 we will continue with the Period 6 sessions which is vital that all students attend their allocation session and that any absences are communicated with the subject teacher before the session as a matter of courtesy. These sessions are designed to support student's progress and will ultimately help in the run up to these final examinations.

As a school, we will be doing everything we can to support you through these stressful and busy times. Please do make contact with their subject teachers, Heads of Year and Mr Hafernrik if you need anything.

For all exams the following rules must be followed: taken from [Information for candidates documents - JCQ Joint Council for Qualifications](#)

- ✓ Be on time for all your exams. If you are late, your work might not be accepted
- ✓ Do not become involved in any unfair or dishonest practice during the exam
- ✓ If you try to cheat, or break the rules in any way, you could be disqualified from all your subjects
- ✓ You must not take into the exam room: (a) notes; (b) an iPod, a mobile phone, an MP3/4 player or similar device, or a watch. Any pencil cases taken into the exam room must be see-through. Remember: possession of unauthorised material is breaking the rules, even if you do not intend to use it, and you will be subject to penalty and possible disqualification.
- ✓ If you have a watch, the invigilator will ask you to hand it to them
- ✓ Do not use correcting pens, fluid or tape, erasable pens, highlighters or gel pens in your answers
- ✓ Do not talk to or try to communicate with or disturb other candidates once the exam has started
- ✓ You must not write or draw offensive or obscene material
- ✓ If you leave the exam room unaccompanied by an invigilator before the exam has finished, you will not be allowed to return
- ✓ Do not borrow anything from another candidate during the exam

The following equipment should be brought to every exam:

- ✓ 3 pens – black
- ✓ 3 pencils
- ✓ Ruler
- ✓ Pencil sharpener
- ✓ Rubber

For certain exams you will also need the following:

- ✓ Compass
- ✓ Protractor
- ✓ Calculator
- ✓ Coloured Pencils
- ✓ Highlighters for use on question papers but not in answers

Exam Process and Procedure

The exams will take place in the main exam hall and the following process will take place. This will be exactly the same as you have experienced in the recent PPE exams.

Please ensure that you have read the Exam Information and JCQ Guidance that has been shared with you. It is important that you know the exam board's expectations and rules.

- Students will be taken to the main hall prior to the start of the exam
- A member of staff will complete an SOS (Secrets of Success) briefing to give key messages about the assessment/exam
- Whilst in the main hall students will sit in the exam seating plan and then sent to the Sports hall or the access room
- Students will need to place their bag in the allocated area and only take into the exam hall the following items: Pen, Pencil, Ruler, Rubber, Pencil Sharpener. Specialist Equipment for exams will be provided by the school. Should a water bottle be taken into the exam hall, then this will need to be a clear bottle with no label or writing on it
- As soon as students enter the exam hall then they will be under exam conditions and should be silent. If they need any assistance, then they should raise their hand and an exam invigilator will come and speak with them
- Students will be dismissed at the end of the exam by a member of staff

Be Selfish for your grade

Points to note:

If is now the time for you to be selfish for your grade and concentrate on what you need to do to achieve the grades you deserve.

Use your results and feedback from the recent PPE exams to guide your revision and preparation. Remember to revise everything you have been taught in your lessons and what has been set as homework to focus your revision.

To prepare for your exams, you should ensure that you have access, and have completed, the following things:

- Any revision booklets that your subject teacher gives to you
- Your class folders (if your teacher allows you to take it)
- Seneca/Sparx/LanguageNut logins
- All homework assigned which is accessed on Satchel One

Revision

It is important that you continue to revise correctly and smartly – this means planning your revision schedule and keeping to it, rather than revising at the last minute.

IT IS NOT ENOUGH TO JUST COMPLETE THE WORK WHICH IS GIVEN TO YOU IN CLASS

You should see your learning as follows:

- **Classwork** = the exam paper skills/ addressing any misconceptions
- **Core subjects in tutor time and Period 6**
- **Subject homework** = Helping you to recall skills from previous units and all skills
- **Revision** = Ensuring you are exam ready

Those who will achieve higher grades will complete all 4 waves of classwork, extra sessions, subject homework and revision.

Revision Guidance

The Basics:

- Limit distractions
- Create and use a revision plan
- Find a nice quiet space to revise in
- Set an alarm and start early!
- Revise. Repeat. Remember
- Make sure you eat, sleep and take time out
- Stay positive

How can I revise effectively?

Three common revision techniques that are least effective in helping you revise are:

- ✓ Highlighting texts
- ✓ Re-reading
- ✓ Summarising text

These methods may make you *feel like* you are revising, but there are better ways to help you revise...

Flashcards

Create these with questions on one side and the answers on the other. You can colour code them for different topics and quiz yourself or others. You can also create flashcards on-line or on your phone using Quizlet.

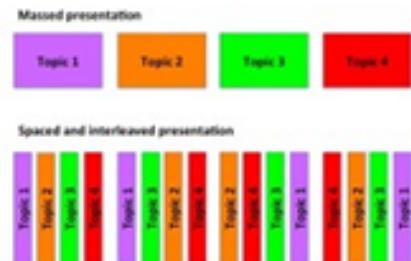

Retrieval Practice

Testing yourself for what you know is a really powerful tool in revision. The effort to remember something really strengthens your memory. Use your Knowledge Organisers to Self-Quiz and subject revision guides to help you.

Types: Multiple choice; True or false; odd one out; explanation questions.

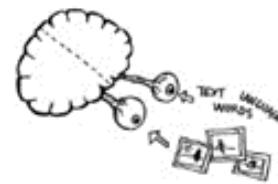

Interleaving & Spacing

Avoid trying to revise all your topics in one go (cramming). Instead, revise chunks of a topic for small amounts of time (15 mins) and then move onto another chunk. This will improve your memory.

Dual Coding

This is putting your knowledge into visual form alongside words. It increases your chances of remembering it.

Deliberate Practice

Set aside time to practice improving your knowledge. Choose what you need to do. It should be difficult enough to challenge you, and practice, practice, practice! Try to focus on something you are almost able to do but just not yet!

Additional Advice and guidance can be found on our school website:

<https://www.seahavenacademy.org.uk/parents-students/key-stage-4-information>

or

<https://www.bbc.co.uk/bitesize/levels/z98jmp3>

<https://www.thenational.academy/teachers/key-stages/ks4/subjects>

Attendance Matters

GCSE results:

Our most recent GCSE results highlighted that student that had their attendance above 96% achieved significantly better GCSE results when compared to students below 96%

Period 6

The period 6 timetable has been adapted for this term to provide greater support for students within core subjects.

Morning and Afternoon Sessions

Monday AM	Core subject tutor time
Monday PM	Maths, History and Music
Tuesday AM	Core subjects tutor time
Tuesday PM	English, Geography, History and Music
Wednesday AM	Core subject tutor time
Wednesday PM	Science
Thursday AM	Core subject tutor time
Thursday PM	Art, Drama, Photography, DT and History
Friday AM	Core subject tutor time
Friday PM	Geography, PE and Music

Additional Support

N20 Study Support: Every Lunch time
Library Homework Club: Monday, Tuesday, Wednesday and Friday 3-4pm
Maths Homework Club N16: Thursday 3-4pm
English and Maths Homework is due every Tuesday morning

Year 11 Exam Timetable

Please note: Timetable is subject to change. Students and Parents/Carers will be notified as soon as possible of any changes. Please note that French will issue the individual speaking times directly to students.

Resources to help you revise:

Paper 1 – Speaking

- 15-minute preparation time – you will be given your read aloud, role-play card and photo card to prepare in this time – you can write notes on the read aloud card and then on the paper provided for the role play and photo – you can use your notes for this section of the exam.
- The final minute of the preparation time is in the exam room where you can practice your read aloud – out loud
- Read aloud – you can annotate your passage and use these notes in the exam
- Role-Play – you can make notes on the paper provided and use these notes in the exam
- Photocard – you have a choice of two photos and must talk about People, Action and Location – you must provide as much detail as possible. You can make notes and use these notes in the exam
- General Conversation – this is on the same theme as the photocard
- Two weeks before the speaking exam window you will be asked to chose from two themes – your photocard and general conversation will be based on this theme
- During the exam there will be 2 short (unprepared) questions after the read aloud and after the photocard

Paper 2 - Listening

- Use the 5-minute reading time to carefully read though the paper.
 - Check the instructions e.g. is it multiple choice/select from a list/writing answers/a specific amount of detail required.
 - Note any useful vocab /translations.
- Ensure that you answer every question – you will hear each recording three times.
- Focus on the dictation – listen really carefully and apply your French phonics/SSCs. This is worth 20% of the paper (10 marks)

Paper 3 - Reading

- Use a few minutes to carefully read though the paper.
 - Check the instructions e.g. is it multiple choice/select from a list/writing answers/a specific amount of detail required.
 - Note any useful vocab /translations.
- Before you start – read the translation task (you may pick up tips or think of the answers as you are completing the paper)
- Ensure that you answer every question.
- Ensure you leave enough time for the translation which is the last question. This is worth 20% of the paper (10 marks)

Paper 4 – Writing

FOUNDATION

	<ul style="list-style-type: none"> • Question 1 – photo Write 4 ‘il y a’ sentences about the photo – remember to keep it simple (8 marks) • Question 2 – 40-50 words – you will have a choice of two (14 marks) Write about 3 bullet points <ul style="list-style-type: none"> - Bullet 1 – requires description - Bullet 2 – requires opinions - Bullet 3 – requires you to answer using the future • Question 3 – 80-90 words – you will have a choice of two (18 marks) Write about 4 bullet points <ul style="list-style-type: none"> - Bullet 1 – requires description - Bullet 2 – requires opinions - Bullet 3 – requires you to answer using the past - Bullet 4 – requires you to answer using the future • Question 4 – translation (10 marks) Translate 5 sentences into French <p>HIGHER</p> <ul style="list-style-type: none"> • Question 1 – 80-90 words – you will have a choice of two (18 marks) Write about 4 bullet points <ul style="list-style-type: none"> - Bullet 1 – requires description - Bullet 2 – requires opinions - Bullet 3 – requires you to answer using the past - Bullet 4 – requires you to answer using the future • Question 2 – 80-90 words – you will have a choice of two (22 marks) Write about 4 bullet points <ul style="list-style-type: none"> - Bullet 1 – requires description - Bullet 2 – requires you to write about the pros and cons - Bullet 3 – requires you to answer using the past - Bullet 4 – requires you to answer using the future • Question 4 – translation (10 marks) Translate a short paragraph into French

- [United Learning Curriculum platform:](#)

Paper 1: Knowledge Organiser (Year 10)

Paper 2: Knowledge Organiser (Year 11)

Paper 3: Fieldwork Revision Booklet/ Plus pre-release

Please note that not all modules are being tested in the PPE, as we still have some of the course content left to cover. When completing past papers please be mindful of this so you are only completing sections which are in the PPE.

Please see below for the PPE content. Topics, case studies and examples

Paper 1:

Natural Hazards (CGP 1-11)

- Tectonic Hazards
- Plate boundaries
- Case study Haiti and New Zealand
- Effects and Responses
- Tropical Storms (**CGP 12-27**)
- Case study Typhoon Haiyan
- Extreme weather in the UK

Climate Change (CGP 28-36)

- Evidence
- Global effects
- Mitigation
- Adaptation

Living with the physical environment.

Section C: Physical landscapes in the UK

- UK Landscape [UL Lesson 1](#)

Coasts (CGP 78-85)

- Coastal processes
- Coastal landforms
- Identifying landforms – Example – Coastal landscape – Dorset Coastline
- Coastal Management - Example – Coastal management – Eastbourne

Rivers (CGP 86-100)

- River landforms – Deposition
- Identifying river landforms
- Example: River landscape – River TEEs
- River discharge and flooding
- River management
- Flood management

Paper 2

2.1 Section A Urban Issues and Challenges (CGP 110-119)

- NEE City Case Study Growth. Opportunities and challenges (social, economic environmental) management – Rio (Brazil) opportunities and challenges
- Example of how Urban Planning has improved Favelas – Bairro Improvement project.

- UK City Case Study. Location, character, opportunities and challenges – Bristol UK
- Example of regeneration in the UK – Temple Quarter Bristol
- Example of sustainable urban living – Friedberg Germany
- Traffic management case study – Bristol

2.2 Section B: The Changing Economic World

- Example of how Tourism has reduced the development gap – Kenya.
- NEE Cast Study – India
- UK Case Study – North South Divide
- Example of sustainable industry – Unilever

2.3 Section C: Challenge of resource management

- Water in the UK
- Food in the UK
- Energy in the UK
- Water worldwide resource

Paper 3: Fieldwork

Based on the physical and human aspects of Year 10 fieldwork enquiry in Eastbourne (CGP 191)

Plus pre-release released Mar/Apr

Geographical Skills – example 6 fig grid references

All KS4 Geography lessons can be found on the curriculum website:

[Curriculum - Curriculum \(unitedlearning.org.uk\)](http://Curriculum - Curriculum (unitedlearning.org.uk))

Skills: There will also be a range of skills questions on the paper. The skills could be based on:

- Map skills – Grid references, scale, relief, describing maps, identifying features on maps.
- Graphs – Describing, constructing and analyzing graphs.
- Numerical skills – correlation, frequency, ratio, magnitude, area
- Statistical skills – mean, mode, median, range, % increase/decrease.

Intervention:	After school: Monday Period 6 and Paper Society and Catch up on Tuesday. Tutor time: targeted exam technique Friday period 5 exam papers every other week.

Remember the key to Maths revision is **practicing questions**.

Maths Foundation Revision Schedule			
Department	Maths		
Topic 1			
Focus	Method	Resource	Time
Solving Linear Equations	Watch modelling videos and complete practice questions	SPARX Code U755, U325, U870, U505, U599/Corbett Maths	30mins
Topic 2			
Focus	Method	Resource	Time
Rearranging Formulae	Watch modelling videos and complete practice questions	SPARX Code U556/Corbett Maths	30mins
Topic 3			
Focus	Method	Resource	Time
Factors and Multiples	Watch modelling videos and complete practice questions	SPARX Code U211, U751, U529 /Corbett Maths	30mins
Topic 4			
Focus	Method	Resource	Time
Product of Prime Factors	Watch modelling videos and complete practice questions	SPARX Code U211, U751, U529 /Corbett Maths	30mins
Topic 5			
Focus	Method	Resource	Time
Standard Form	Watch modelling videos and complete practice questions	SPARX Code U330, U534 U264, U290, U161 /Corbett Maths	30mins
Topic 6			
Focus	Method	Resource	Time
Ratio (simplifying and sharing)	Watch modelling videos and complete practice questions	SPARX Code U687 U753, U577 /Corbett Maths	30mins
Topic 7			
Focus	Method	Resource	Time
Averages (Mean, Median, Mode)	Watch modelling videos and complete practice questions	SPARX Code U260 U291, U456, U526 /Corbett Maths	30mins
Topic 8			

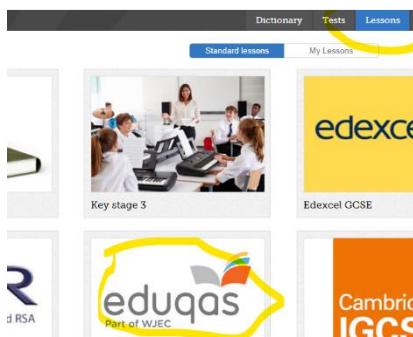

Focus	Method	Resource	Time
Fractions (four operations)	Watch modelling videos and complete practice questions	SPARX Code U736, U793 U475, U544 /Corbett Maths	30mins
Topic 9			
Focus	Method	Resource	Time
Factorising Expressions	Watch modelling videos and complete practice questions	SPARX Code U365 /Corbett Maths	30mins
Topic 10			
Focus	Method	Resource	Time
Percentages (finding % of an amount)	Watch modelling videos and complete practice questions	SPARX Code U554, U349 /Corbett Maths	30mins

Maths Higher Revision Schedule

Department	Maths		
Topic 1			
Focus	Method	Resource	Time
Straight Line Graphs	Watch modelling videos and complete practice questions	SPARX Code U898/Corbett Maths	30mins
Topic 2			
Focus	Method	Resource	Time
Rearranging Formulae	Watch modelling videos and complete practice questions	SPARX Code U556/Corbett Maths	30mins
Topic 3			
Focus	Method	Resource	Time
Simultaneous Equations	Watch modelling videos and complete practice questions	SPARX Code U760, U757, U836, U137 /Corbett Maths	30mins
Topic 4			
Focus	Method	Resource	Time
Probability	Watch modelling videos and complete practice questions	SPARX Code U369 U246, U821, U806 U476, U748, U699 /Corbett Maths	30mins
Topic 5			

Focus	Method	Resource	Time
Index Laws	Watch modelling videos and complete practice questions	SPARX Code U662 /Corbett Maths	30mins
Topic 6			
Focus	Method	Resource	Time
Standard Form	Watch modelling videos and complete practice questions	SPARX Code U330, U534, U264, U290 /Corbett Maths	30mins
Topic 7			
Focus	Method	Resource	Time
Ratio	Watch modelling videos and complete practice questions	SPARX Code U687, U753, U176, U577, U921, U865 /Corbett Maths	30mins
Topic 8			
Focus	Method	Resource	Time
Averages (Mean, Median, Mode)	Watch modelling videos and complete practice questions	SPARX Code U408, U510, U683, U580 /Corbett Maths	30mins
Topic 9			
Focus	Method	Resource	Time
Expanding and Factorising	Watch modelling videos and complete practice questions	SPARX Code U606 U858/Corbett Maths	30mins
Topic 10			
Focus	Method	Resource	Time
Pythagoras	Watch modelling videos and complete practice questions	SPARX Code U385 /Corbett Maths	30mins

Course	EDUQAS GCSE Music
Exam Length	Component 3: Appraising Written examination: 1 hour 15 minutes (approximately) 40% of qualification
Examination and content:	<p>Component 3 is assessed via a listening examination.</p> <p>Appraising Written examination: 1 hour 15 minutes (approximately) 40% of qualification</p> <p>Eight questions in total, two on each of the four areas of study.</p> <p>Area of study 1: Musical Forms and Devices</p> <p>Area of study 2: Music for Ensemble</p> <p>Area of study 3: Film Music Area of study</p> <p>4: Popular Music Two of the eight questions are based on extracts set by WJEC (Africa by Toto and Badinerie by JS Bach.</p>
Resources to help you revise:	<p>Detailed guidance for composition and performance units can be found in Class Notebook on TEAMS</p> <p>Exam Walkthrough Eduqas GCSE Music Exam guidance for students.pptx (live.com)</p> <p>Focus on Sound Focus on Sound Focus on Sound is the main resource to support your learning and revision.</p>  <p>Toto – Africa Knowledge Organiser eduqas-ko-africa.pdf (wjec.co.uk) Bach - Badinerie Knowledge Organiser https://resources.eduqas.co.uk/pages/ResourceSingle.aspx?rlid=1508</p> <p>AOS1 Musical Forms and Devices Knowledge Organiser ko1-musical-form-and-devices_area-of-study-1.pdf (wjec.co.uk)</p> <p>AOS2 Music for Ensemble Knowledge Organiser ko2-music-for-ensemble_area-of-study-2.pdf (wjec.co.uk)</p>

Revision Schedule Please note it is important to keep revisiting topics in science which has so much content.			
Department	Science		
Week 1 – Paper 1 content			
Focus	Method	Resource	Time
Cell biology (biology)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Atomic structure and bonding (chemistry)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Week 2 – Paper 1 content			
Focus	Method	Resource	Time
Energy (physics)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Organisation (biology)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Week 3 – Paper 1 content			
Focus	Method	Resource	Time
Quantitative chemistry (chemistry)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Electricity (physics)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Week 4 – Paper 1 content			
Focus	Method	Resource	Time
Infection and response (biology)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes

Chemical changes and energy changes (chem)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Week 5 – Paper 1 content			
Focus	Method	Resource	Time
Particle model and atomic structure (physics)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes
Bioenergetics (biology)	Read revision notes/Seneca/watch revision videos and practice exam questions.	Oak links, knowledge organisers, Seneca, UL Curriculum HUB	30 minutes

Additional Support: Exam Stress and Mental Health

If you need further guidance or support, remember the layers of support which are on offer to you. You can talk to:

- Your class teacher
- Your tutor
- Your Head of Year or Key Stage Director
- The head of department for the subject

If you are concerned, stuck or feeling unsure of anything please get into with the school - **support is there if you need it.**

Further advice on supporting students through the exam period can be found here:

[NHS Advice on preparing for exams](#)

[Youngminds A guide for young people Exam Stress](#)

[Dfe – Coping with exam pressure – a guide for students](#)

How can parents support?

Assessments and Exams can often be stressful. Here are some tips to help your child stay stress free during this time:

1. Talk about it – reassure them that feeling anxious or nervous about an exam is normal. Get them to focus on what they have been doing and to talk through how the exam or assessment has gone

2. Practice at home- work through practice papers at home and talk about what will happen during each exam
3. Be positive – speak positively about the exams, to help them be confident and relaxed to avoid stress and anxiety
4. Put things in perspective – remind them that it isn't the end of the work if they don't do as well as they'd hoped, the outcome doesn't define who they are or mean that they won't succeed
5. Look after yourself – young people pick up on stress from adults around them. Try to keep as calm as possible to support their well-being

Self Help Tips:

- ✓ Remind yourself that it is okay to not feel 10/10
- ✓ Stay connected with people who make you feel good
- ✓ Remind yourself that not every feeling you have needs to be acted on
- ✓ It is okay to sit with a difficult emotion
- ✓ Make some plans to do something that you enjoy
- ✓ Deep breathing, relaxation, mindfulness moments can help to restore calmness

Contacts in the community that you can use.

If I am in a crisis and need urgent support but can keep myself safe for now I will:

- Text **SHOUT to 85258** (24/7 text response – texts are free)
- Call **Childline** 0800 1111
- Log in to Childline for online chat <https://www.childline.org.uk/get-support/1-2-1-counsellor-chat/>
- Tel: **Sussex Mental Health Helpline** 0800 0309 500 24 hours
- **Harmless** – info@harmless.org.uk <http://www.harmless.org.uk/>
- **Papyrus HOPELineUK** (Suicide prevention charity) Tel: 0800 068 4141 (Mon-Friday 10-5pm & 7-10pm and Sat-Sun 2-5pm) Website www.papyrus-uk.org

If you are in crisis and don't feel I can keep myself safe:

- Go to A&E
- Call 999 and ask for an ambulance
- Get someone else to take you to A&E and for them to call an ambulance

Other useful contacts

Bullying UK Helpline

Tel: 0808 800 2222 (Mon-Friday 9am-9pm; Sat-Sun 10am-3pm)

Website: <https://www.bullying.co.uk/>

Young Minds

Mental health information and young peoples shared experiences.

<https://www.youngminds.org.uk>

Allsorts LGBTQI+

Allsorts Youth Project listens to, connects & supports children & young people under 26 who are lesbian, gay, bisexual, trans or exploring their sexual identity

Tel: 01273 721211

Allsorts Youth Project

e-motion- East Sussex

A free online counselling project for young people aged 12-18 years who live in East Sussex

www.e-motion.org.uk

i-rock, 14+

i-Rock can offer you advice and support on emotional and mental wellbeing, jobs, education and housing

irockeastsussex@spft.nhs.uk <https://www.irocksussex.com/>

Calm Harm

The Calm Harm App can be downloaded and used to help manage the urge to self-harm.

[Home - Calm Harm App](#)

Grassroots App

The Stay Alive app is a suicide prevention resource, packed full of useful information and tools to help you stay safe in crisis.
