The best in everyone™

Part of United Learning

23rd February 2026

Dear Parents and Carers,

World Book Day – Thursday 5th March 2026

We would like to invite you to share in our celebration of World Book Day 2026. Our theme this year is... **‘So...you think you know reading?’**

Our students will be exploring surprising, creative, and totally unexpected ways to enjoy reading in lessons across the curriculum over the next two weeks.

We would love for you to join us for an after-school open house in the library. Students’ work from across the two weeks will be on display for you to enjoy.

You will also be able to:

- Meet local librarians – in school and in the community.
- Bring younger children to enjoy story-telling magic, hosted by our Y10 childcare students.
- Speak to our librarian and other school leaders about how to support reading progression - at all levels.
- Meet our reading ‘genre’ ambassadors who may persuade you or your child to try out a new text!
- Enjoy refreshments and explore what is on offer in our fabulous school library.
