The best in everyone™

Part of United Learning

7th October 2025

Dear Parents and Carers,

Thank you to those of you who have shared feedback with us about school trips.

We know that having advance notice of upcoming opportunities makes it much easier for families to plan both practically and financially. With this in mind, we wanted to share an overview of the current trips and key events taking place this year. As a school, we strive to give students opportunities wherever possible. On some occasions, we are offered trips by external providers which allow us to offer further trips, and we will notify you when we have these available to students. These may not appear on this original list.

We hope that by giving you this information early, you will have plenty of time to decide and discuss these opportunities with your child. At this stage, any prices given are approximate and may be subject to change. We will always publish updated prices as soon as we have them confirmed, and we will aim to ensure that the figures provided are as accurate as possible.

The trips and events planned for this academic year 2025-26 are included in this letter.

Yours sincerely

Miss V Koutsoukou
Assistant Headteacher
