

Seahaven Academy

The best in everyone™

Part of United Learning

22nd September 2026

Dear Parents and Carers,

Thank you to everyone who attended our Welcome to GCSE Evening last Thursday.

We hope you found the event informative and helpful as your child begins their Key Stage 4 journey. The transition into GCSE study is an important milestone, and we greatly value the partnership between home and school in supporting students throughout the next two years. During the evening, we shared information about GCSE expectations, study habits, revision strategies, and ways in which parents and carers can support their child to achieve their full potential.

To ensure that all families can access the information shared, please find links to the presentations from our core subject teams below:

Core Subject Presentations

- **English:**

Science

- A letter will be sent home separately regarding purchasing science revision books through the school.

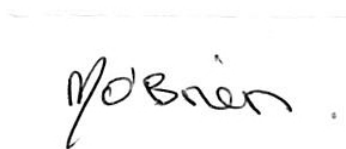

We encourage students to make regular use of these resources as they develop effective study routines and independent learning habits throughout Key Stage 4.

At Seahaven Academy, we firmly believe that **every child belongs, every child matters, and every child can achieve**. As your child progresses through their GCSE journey, we remain committed to providing the support, challenge, and encouragement they need to fulfil their potential. By working together in partnership, we can ensure that every student has the opportunity to succeed both academically and personally.

If you have any questions regarding your child's GCSE studies, please do not hesitate to contact the school. We look forward to working together to support your child in achieving success over the coming years.

Thank you once again for your continued support.

Yours sincerely,

Ms M O'Brien
Vice Principal – Key Stage 4 Attainment and Outcomes
